Summary:

These are bonus chapters I made for my Harringrove Mafia_au. But here's the summary for Out of Water:

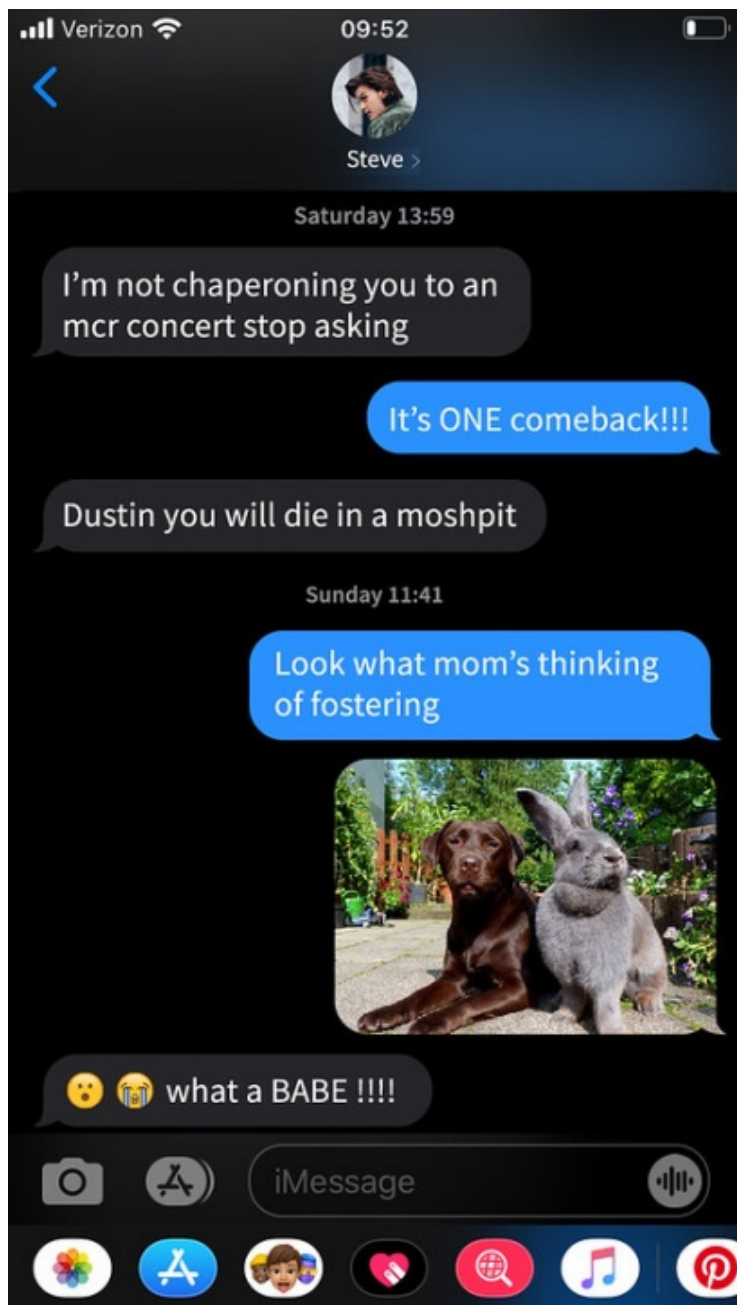

Steve wants out. He'll have to leave everything and every one behind, but he does it. Even if it means killing an innocent to pose as his dead body. Even if it explodes a war between the underground families or launches an investigation that comes too close to the illegal dealings of his friends and family. He does it.

And the joke of it all is that none of that happens. The war never starts and the government sleeps through another night. No one cares about the body who is fished out of the river. Except Billy.

1. Bonus 1 ~

Author's Note:

These were originally apart of the Out of Water chapters, but I decided to move them to their own section and just make Out of Water a series for organizational purposes.

Here's a description of the photo for anyone who needs it <3 (I've never made a text description for folks who need it, so let me know if

you need it formatted differently~)

Photo is a screenshot of Dustin's text messages with Steve. They read:

Steve: I'm not chaperoning you to an mcr concert stop asking

Dustin: It's ONE comeback!

Steve: Dustin you will die in a moshpit

The next day, a different conversation reads:

Dustin: Look what mom's thinking of fostering

Dustin has sent Steve a photo of a Flemish rabbit lounging next to a labrador retriever dog for size comparison. The rabbit is the same size as the fully grown dog.

Steve responds with a shocked emoji face and a crying emoji face followed by the message: what a BABE !!!!

Notes for the Chapter:

If you're here before reading Out of Water, it'll help to know that Steve calls his pet bunnies Toony and Loony (the Looney Tunes), and calls them both Bugs for short (Bugs Bunny).

I made a tumblr blog just for Harringrove things, but I'll be posting updates to both! So if you're already following my main blog for notifications, you can stay put :)

First image is screenshot from Billy's text messages. They start with

an image of a grown man lying on the floor of a house, playing with a white and black rabbit's ears. The image is presumably of Steve.

Steve responds with a shocked expression and several question marks.

Billy responds: Max took it while you both were at bunny boy's house.

Steve: His name is Dustin and you know that.

Billy: Fine. But explain this to me.

Billy follows with an image of a tawny-brown bunny lunging on its stomach. The picture is taken from behind the bunny, where its eye is visibly looking back at the viewer.

Second image is another screenshot from Billy's text messages. They start with the before mentioned image of the brown bunny.

Steve: ? She's beautiful?

Billy: Loony's a lil bit slutty.

Steve: Do not slut shame my rabbit! She's completely spayed.

Billy: crying laughing emoji

Third image is a screenshot of Steve's text messages on a different day.

Steve: BILLYYYY

An image follows of a rabbit wearing a witch's hat, sitting on a pumpkin in the middle of a pumpkin patch.

Billy: No

Steve: Yes!

Billy: We are not dressing them for Halloween

Fourth image is of Steve's text messages. They continue the previous conversation with a new image of a white rabbit wearing a small, rose headband sent from Steve.

Billy: Why are you at a pumpkin patch with out me?

Steve sends another image, this time of a grey rabbit wearing a Count Dracula cape in red and black.

Billy: Steve stop online shopping and answer the question.

Steve sends another image of a grey rabbit, this time in a red Santa hat.

Fifth image is Steve's text messages continuing.

Steve: Toony would look so good in red! *crying emoji face*

Billy: What about this one?

Billy sends an image of a guinea pig wearing a knit sailor's hat in red and white.

Steve: That is a guinea pig and it was my job for ONE SUMMER ASSHOLE.

Billy replies with the crying laughing emoji

Sixth images is Steve's text messages continuing.

Billy: It'll still fit. Or this one

Billy sends an image of a black cat wearing a special effects hat of a demogorgon with his flower-petal face open.

Steve: Wth is that??

Billy: A cat demon thing *crying laughing emoji*

Steve: I'm bringing home witch hats and you can't stop me. A lady is sewing them here.

Billy: Stay at the patch. I'm omw

Seventh and final image is Steve's messages continuing, but the day after Halloween. He sends Billy an image of a black rabbit wearing a small witch's hat while lounging on blankets; presumably a bed.

Steve: Black bugs are hard to take pictures of.

Billy: You're still in bed?

Billy: I'm coming

Steve: Stay at work.

Billy: No *blowing a kiss emoji*

Steve follows with an unamused emoji, a huffing emoji, and a mutual blowing kiss emoji.

3. Bonus 3 ~

Notes for the Chapter:

(Images of the brown bunny have been from @koume_tan on instagram. 10/10 recommend. It's far more difficult to find images of black rabbits lol)

Steve >

Steve >

NO

You're the one typing like it's a T9

iMessage

All images are screenshots of Billy's text messages with Steve. They read:

Steve: I'm getting two harnesses.

Billy replies with a smirking emoji.

Steve: FOR THE LOONEY TUNES.

The conversation picks back up later in the day, at 14:22 (2:22pm).

Billy: Why does she make these faces?

Billy sends two images of a tawny-brown rabbit sitting in a man's lap. The rabbit wears a light, beige harness that matches the man's off-white, cozy hoodie. The man, his face out of the frame, seems to be sitting at a picnic table of some kind, and is holding a peeled banana for the rabbit to snack on. In both images, the rabbit is making a funny face, caught mid-bite.

Steve: You make the same faces when you eat.

Billy: You or food?

Steve: Stoppp.

Billy: You're laughing *smirking emoji*

Billy sends another image, this time of the man sitting in the grass. The brown rabbit is standing behind him in her harness, front paws on his backside.

Billy: This one's my favorite.

Steve: *crying emoji*

Steve: Why are your photos better than mine?

Steve sends an image of a black rabbit in the grass, wearing a red harness.

Steve: Toony looks so small in her harness and on your lap *crying emoji*

Billy: Your phone's old. I'll get you the new one.

Steve: NO.

Steve: You're the one typing like it's a T9.

Notes for the Chapter:

Spoiler: Billy gets Steve a new phone.

Also, it might make a LOT more sense to know that Steve doesn't usually take pictures, and refuses to be in them. This detail isn't in the story yet, but I don't think it's a spoiler. He's technically a criminal in hiding, after all haha That's why I chose pictures of Joe looking away for the avatars (sneaky pics), whereas Billy is looking directly at the camera. Eye on the prize, that boy.
